Hi Macara and Sandy,

This is just a heads up that we are incorporating Dave's edits into this FRN concerning ESA and 404g, and will need to run it by you soon for your review. We also want to make sure that OP is looped in so that there are no surprises; your advice on that is welcome.

Please coordinate with Kathy Hurl on this action.

Thanks,
Mike

DELIBERATIVE

Folks—we can move forward as Dave notes below. Would you coordinate with OGC and the Region on Dave's several asks? I'll acknowledge we'll do that when I open with Dave at our 1015a.

Thanks!

John

Confidential; Deliberative; Attorney-Client Communication

John and David,

Nice job to the team on this. Please move forward to FR publication. I've attached a few edits, but please have Macara's shop to the FRN scrub as well. I assume the team has confirmed with FDEP that they are good with putting their white paper in the docket, but please confirm.

Also, thanks for the update email on 4/9. Two things in there. When the team receives the draft BA, please talk to me and Mary before we initiate the deep dive review. I have been spending time getting briefed by Interior/FWS on their process

Of the issues raised in your email, I'd like to discuss

Ex. 5 Deliberative Process (DP)

Thanks.
